

Welcome to Present Boss

Smart Attendance

Smarter Teams

Supercharged Productivity

Say goodbye to
Messy Timesheets, Buddy Punching,
and Manual HR Follow-Ups.

With Present Boss, attendance and
travel tracking are now automated,
intelligent, and effortless.

Check in with just a face. A tap.
A location. Anywhere. Anytime.

Face Recognition + GPS Attendance

No more guesswork. No more fake entries.
No more wasted time.

Present Boss uses AI-driven face ID and
live GPS tagging to record attendance —
whether your team is at HQ, in the field,
or at a client site.

✓ Fast.
✓ Foolproof.
✓ Fully Automated.

Perfect for remote
teams, field staff, and
on-the-move operations.

Commute Made Clear

Forget TA bill drama. HR
follow-ups. Expense errors.
Present Boss handles it all —
seamlessly.

Auto-track routes, time, and distances
Instant TA calculations & approval workflows
Zero paperwork. Zero stress. Just tap & go.

Real-Time Dashboards & Instant Insights

See your workforce live in action —
who's where, doing what, and when.
Generate smart reports, track
performance, and make decisions
backed by data.

Lead your team with
clarity, not chaos.

Safe. Secure. Scalable.

From startups to large enterprises,
Present Boss grows with you.
Built on enterprise-grade security and
cloud infrastructure — so your data
and your team are always protected.

Who's It For?

Startups & Growing Enterprises
